

Privacy Policy

Privacy Policy

Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

This privacy policy has been compiled to better serve those who are concerned with how their 'Personally identifiable information' (PII) is being used online. PII, as used in US privacy law and information security, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context.

What personal information do we collect from the people that visit our blog, website or app?

When ordering or registering on our site, as appropriate, you may be asked to enter your name, email address, mailing address, phone number, credit card information or other details to help you with your experience.

When do we collect information?

We collect information from you when you register on our site, place an order, subscribe to a newsletter, respond to a survey, fill out a form or enter information on our site.

How do we use your information?

We may use the information we collect from you when you register, make a purchase, sign up for our newsletter, respond to a survey or marketing communication, surf the website, or use certain other site features in the following ways:

- To personalize user's experience and to allow us to deliver the type of content and product offerings in which you are most interested.

- To improve our website in order to better serve you.
- To allow us to better service you in responding to your customer service requests.
- To administer a contest, promotion, survey or other site feature.
- To quickly process your transactions.
- To send periodic emails regarding your order or other products and services.

How do we protect visitor information?

We use regular Malware Scanning. Our website is scanned on a regular basis for security holes and known vulnerabilities in order to make your visit to our site as safe as possible.

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology.

We implement a variety of security measures when a user places an order enters, submits, or accesses their information to maintain the safety of your personal information.

All transactions are processed through a gateway provider and are not stored or processed on our servers.

Do we use 'cookies'?

Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enable the site's or service provider's systems to recognize your browser and capture and remember certain information. For instance, we use cookies to make logging into our site easier and faster, to help us remember and process the items in your shopping cart, and to help us understand your preferences based on previous or current site activity which enables us to provide you with

improved services. We also use cookies to help us compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.

Some other uses of cookies would be to:

- Help remember and process the items in the shopping cart.
- Understand and save user's preferences for future visits.
- Keep track of advertisements.
- Compile aggregate data about site traffic and site interactions in order to offer better site experiences and tools in the future. We may also use trusted third party services that track this information on our behalf.

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies all together. You do this through your browser's settings. Each browser is a little different, so look at your browser's Help menu to learn the correct way to modify your cookies.

If you disable cookies in your browser:

If you disable cookies, some features will be disabled. It will turn off some of the features that make your site experience more efficient and some of our services will not function properly. You can still place orders, but some pages may be disabled. You can reach us via telephone or email on the Contact Us section of this site.

Third Party Disclosure

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information unless we provide you with advance notice. This does not include website hosting partners and other parties who assist us in operating our website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce

our site policies, or protect ours or others' rights, property, or safety. Non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

Third party links

Occasionally, at our discretion, we may include or offer third party products or services on our website. These third party sites have separate and independent privacy policies. We therefore have no responsibility or liability for the content and activities of these linked sites. Nonetheless, we seek to protect the integrity of our site and welcome any feedback about these sites.

Google

Google's advertising requirements can be summed up by Google's Advertising Principles. They are put in place to provide a positive experience for users. <https://support.google.com/adwordspolicy/answer/1316548?hl=en>

We use Google AdSense Advertising on our website.

Google, as a third party vendor, uses cookies to serve ads on our site. Google's use of the DART cookie enables it to serve ads to our users based on their visit to our site and other sites on the Internet. Users may opt out of the use of the DART cookie by visiting the Google ad and content network privacy policy.

We have implemented the following:

- Google Display Network Impression Reporting
- Demographics and Interests Reporting

We along with third-party vendors, such as Google use first-party cookies (such as the Google Analytics) and third-party cookies, or other third-party identifiers together to compile data regarding user interactions with ad impressions, and other ad service functions as they relate to our website.

Opting out:

Users can set preferences for how Google advertises to you using the Google Ad Settings page. Alternatively, you can opt out by visiting the Network Advertising initiative opt out page or permanently using the Google Analytics Opt Out Browser add on.

California Online Privacy Protection Act

CalOPPA is the first state law in the nation to require commercial websites and online services to post a privacy policy. The law's reach stretches well beyond California to require a person or company in the United States (and conceivably the world) that operates websites collecting personally identifiable information from California consumers to post a conspicuous privacy policy on its website stating exactly the information being collected and those individuals with whom it is being shared, and to comply with this policy.

– See more at:
<http://consumercal.org/california-online-privacy-protection-act-caloppa/#sthash.0FdRbT51.dpuf>

According to CalOPPA we agree to the following:

- Users can visit our site anonymously.
- Once this privacy policy is created, we will add a link to it on our home page, or as a minimum on the first significant page after entering our website.
- Our Privacy Policy link includes the word 'Privacy', and can be easily be found on the page specified above.

Users will be notified of any privacy policy changes on our Privacy Policy Page.

Users are able to change their personal information:

- By emailing us.
- By calling us.
- By logging in to their account.
- By chatting with us or sending us a ticket.

How does our site handle do not track signals?

We honor do not track signals and do not track, plant cookies, or use advertising when a Do Not Track (DNT) browser mechanism is in place.

It's also important to note that we allow third party behavioral tracking

COPPA (Children Online Privacy Protection Act)

When it comes to the collection of personal information from children under 13, the Children's Online Privacy Protection Act (COPPA) puts parents in control. The Federal Trade Commission, the nation's consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online.

We do not specifically market to children under 13.

Fair Information Practices

The Fair Information Practices Principles form the backbone of privacy law in the United States and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur and we will notify the users via email within a reasonable time frame after learning of a breach.

CAN SPAM Act

The CAN-SPAM Act is a law that sets the rules for commercial email, establishes requirements for commercial messages, gives recipients the right to have emails stopped from being sent to them, and spells out tough penalties for violations.

We collect your email address in order to send you only your opt-in requests for newsletters, blog updates, security notices, or other important or opt-in information you have already requested.

To be in accordance with CANSPAM we agree, if at any time you would like to unsubscribe from receiving future emails, you can email us at inof@BilTropicLabs.com and we will promptly remove you from only, or all of, the correspondence you request to be removed from.

Registration

In order to use this website, a user may have to complete the registration form. During registration a user is required to give certain information (such as name and email address). This information is used to contact you about the products/services on our site in which you have expressed interest. You may decide what information to give but certain information is required to use the site or the sites services. Not providing such information may result in the site's services not being available to you.

Orders

We request information from you on our order form. To purchase from us, you must provide contact information (like name and shipping address) and financial information (like credit card number, expiration date). This information is used for billing purposes and to fill your orders. If we have trouble processing an order, we'll use this information to contact you. We may not process your order if you misspell or leave out any important fulfillment information.

Surveys & Contests

From time-to-time our site may request information via surveys or contests. Participation in these surveys or contests is completely voluntary and you may choose whether or not to participate and therefore disclose or not disclose this

information. Information requested may include contact information (such as name and shipping address), and demographic information (such as zip code, etc.). Contact information will be used to notify the winners and award prizes. Survey information will be used for purposes of monitoring or improving the use and satisfaction of this site.
